

About Us...

Bed & Basket® consists of high quality, dog-friendly self-catering holiday accommodation so you, your family, and your dog (or dogs) can stay together.

On Site Kennels...

We provide on-site personal kennels for your convenience. This means that when you want to visit an attraction that does not allow dogs (such as some of the beaches in summer), you can leave your dog in safety whilst you go out. You are of course welcome to have your dog in the barn with you when you are there.

Near lots of attractions...

We are very conveniently located a couple of miles from St Austell, in the countryside. Attractions like The Eden Project, The Lost Gardens of Heligan and the UK's only china clay museum are within a few miles. Within short drives we are also near lovely beaches and spectacular coastlines, superb countryside and other well known locations like Mevagissey and Newquay.

High-quality barns...

We have four high - quality barns in converted traditional stone buildings. They are 5 star equivalent (or more) as rated by holiday companies. They are designed with comfort and quality in mind, ready for providing an excellent base for self-catering holidays and breaks. We have three one bedroom barns (for up to 2 people) and a two / three bedroom barn (for up to 4 or 6).

All barns come with:

- fully fitted kitchens
- lounges with log burning stoves
- spectacular views over the countryside
- under floor heating upstairs and downstairs
- their own private patio with barbeque
- boot and dog washing facilities.

Making your dog feel welcome...

We like to look after our dogs as we know all loving and responsible owners do. So we provide a number of amenities for dogs to enjoy here, including:

- your dog's own safe private patio
- dog washing facilities & towels
- a dog basket
- a large communal field to run around in
- a personal kennel for when you want to go out without your dog (no more than 2-3 hours)

When you are out and wish to leave your dog behind, we ask that you use the kennels for them, for a maximum to 2-3 hours. If you do expect to be out for longer periods,

then we suggest you use a local Kennel Club approved kennels we can recommend.

Peaceful Area...

We are situated in a quiet location at the end of a little country lane. The only sounds we tend to hear are the wildlife, sometimes cows in a nearby field, and the occasional train passing the end of the exercise field. Whilst we are in the country, we are also well located for good amenities for shopping, eating and walking.

Eating: There are three local pubs within 3 miles, one of which is about a half hour walk along country lanes. All pubs serve excellent food – as we can testify.

Shopping: The main shopping centre of St Austell is just a couple of miles away and has a wide range of shops – both well known chains and local stores. There are two large supermarkets there. There is a local convenience store in a village about 1.5 miles away, which has extended opening hours.

Walking: There are a number of walks within easy reach.
